

December 16th, 2012

Dear Parents or Guardians,

The competition has begun! The annual Science Fair will be held on Thursday February 6th, 2014. We will be taking one idea and using the scientific method to show what we know. Students will be able to watch a video, (created by me) to better understand expectations of their science fair project. There will be official judges and a 1st, 2nd and 3rd place winner who will go on to the regional science fair.

We do need support at home to get these projects completed before the February 6th, 2014. The Science Fair will be held here at school during the school day. We ask you to help your child with the process. All information will be located on the Bugg S.T.E.A.M. website at Buggsteam.weebly.com (or use the QR code above).

If you do not have Internet access at home, listed below is a public library for community Internet access as well as printing.

Cameron Village Regional Library
1930 Clark Avenue
Raleigh, NC 27605
Phone: 919-856-6710

Thank you for all of your support,

Ms. Miazga

Please sign the line below to indicate that you have received this letter. Due back to classroom teacher by December 20th, 2013
